

ANN ARBOR CRYPTOPARTY

WHAT	Learn to stay safe online with privacy software and training!
WHO	Anyone, of any technical background! Bring your laptop, phone, and a friend!
WHERE	All Hands Active 255 E. Liberty St. Suite 225 Ann Arbor, MI
WHEN	2nd Saturday of each month, at 4pm
WHY	Computer security is important, and you deserve to have control of your digital information!

Everyone needs their privacy, whether that's from the state or from stalkers. Come learn how to protect it in a friendly and welcoming environment!

All skill levels are welcome, we just ask that you bring a smartphone and/or laptop to learn hands-on.
