# Wat is CryptoParty?

Woon bij en doe met bij CryptoParty om de gebruik en het onderwijzen van fundamentele geheimschrift tools te leren. CryptoParty is vrij in gebruik, publiek en is gewoon leuk. Iedereen mag zijn computer, mobiel apparaten en bereidheid om te leren meebrengen. CryptoParty is een gedecentraliseerde, globale initiatie om de meesten geheim-schrift programma's en de fundamentele concepten van hun werk aan het publiek te vertonen. Zoals "Tor anonymity network", "public key encryption (PGP/GPG)", en "OTR (Off The Record messaging)". CryptoParties zijn: gratis om met te doen, openbaar en politiek en commercieel niet gebonden.
