CRYPTOPARTY

CryptoParty Albuquerque is a kick ass party for makers, doers, and hackers of any age and any level of technical experience. The party is free and open, and will include workshops to help activists, journalists, change makers, and other vulnerable people protect their data from the prying eyes of the government, local police departments, and corporate spooks.

Come learn and teach about privacy and security, encryption, digital safety, cryptography, and free software. Bring your laptop, mobile phone, and a friend!

AIN'T NO PARTY LIKE A  
CRYPTOPARTY!
